

# Polaris K-12 Peer Tutor Application

Name:	Grade:
Advisor:	Semester: 1 2 No preference

A peer tutor is trained to work with younger students to help them build confidence with reading, writing, and math skills. Peer Tutors are students who are willing to learn and work independently, as well as take initiative and seek opportunities to help others.

To take on this leadership role, a student must agree:

- To always follow Polaris' code of conduct:  
Be respectful, be responsible, be safe, and have fun!
- To be a good example to other students
- To inspire others to be their best
- To help those in need in our community

I agree to take on this leadership role: \_\_\_\_\_
